Purchase Notices:

- If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that the owner can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.
- In these circumstances, the owner may serve a purchase notice on the Council. This notice will require the Council to purchase the owner's interest in the land.

What to do next:

- Please take note of the conditions this permission is subject to. If these conditions are not met, for example if works are not carried out in accordance with the approved documents, the Council has the ability to take enforcement action where necessary.
- This permission relates to town planning. It does not grant other forms of consent which you may need, for example:

Highways consent

- Prior to the approved development commencing, the applicant is required to apply to Hampshire County Council for the extinguishment of highways rights over the land and can do so online [Extinguishment \(Removal\) of Highway Rights | Hampshire County Council \(hants.gov.uk\)](https://www.hants.gov.uk/highways)
